Payroll Giving

the straightforward, flexible, tax-efficient way to support charities of your choice

Hope One World is an independent charity which provides educational training and support for less advantaged communities around the world. It is innovative in the way that it brings together volunteers from higher education and schools in the UK and overseas to promote educational development.

www.hopeoneworld.org.uk

Good reasons to support Hope One World

Hope One World [HOW] operates as an **independent charity** from its base near Liverpool UK, and is sustained through its **own fundraising activities**, donations made through the **Charities Trust**, and **Payroll-Giving schemes** which enable regular tax-free donations to be made.

For two decades now, teams of university tutors, school teachers and students have travelled to settlements in a growing list of countries.

When they get there the tutors work with teachers in the schools and the students teach the children either in their schools or in their villages.

HOW is already looking beyond this for other ways to support long-term teaching and learning experiences.

Locations

HOW projects are located right across **India**, in both Indian and Tibetan communities, as well as in **Sri Lanka**, **Nigeria**, **Malawi**, and **South Africa**.

Most of these are linked to our association with **SOS Kinderdorf International**, probably the world's largest charity caring for orphaned and dispossessed children.

HOW is proud of its partnership with SOS Children's Villages which has done so much to help us turn our hopes and dreams into reality.

In **June 2008** the '**Big Hope Youth Congress**' was held in Liverpool and attracted over 600 participants. These included **32 delegates** from our partners overseas and each of these was **fully funded by Hope One World and SOS**.

It was a delight to be able to welcome so many colleagues and friends, and to offer them some **Liverpool hospitality** during our year as **European Capital of Culture**.

Fundraising

HOW is actively engaged in fundraising to support its work and all donations received will be applied directly to projects. More details can be found in our newsletter and website.

What it all costs

A typical Hope One World project involves a team of two tutors and two students spending two weeks in a Children's Village working with teachers, co-workers, administrators and children.

The **average cost per person**, inclusive of all transport and travel (international and internal), accommodation, food and workshop materials and resources is **£1500**.

Please support **Hope One World** by **Payroll Giving**.

This is very easy to do and you can **alter your payments** or **stop your payments** at any time.

You can spread your payments to **more than one charity** using the same authorisation form.

Simply **complete the Payroll Giving form** and send it to the payroll office at your place of work.

If you are a UK tax-payer **your donation** to charity **is tax-free**.

For example a donation of £10 per month means that the charity receives £150 per year and you only pay £120 per year.

Please **help HOW achieve its annual fundraising target of £20,000** by joining the **Payroll Giving** scheme, and if you are already supporting us in this way, **"Thank you!"**

HOW's financial accounts detailing income and expenditure are published on the Charity Commission website: www.charity-commission.gov.uk
