

TESSA Primary Education Resources

[Teacher Education for Sub-Saharan Africa]

Life Skills, Literacy, Numeracy, Science, Social Studies/Arts

From the TESSA website <http://www.tessafrica.net> select the country eg. Zambia (Malawi is not listed)

It takes approx. 10 minutes to download all the materials as one zip file from which all the subjects, all the modules and all the sections can be extracted as either Word files or pdf's

The screenshot shows the TESSA website interface for Zambia. At the top, there is a navigation bar with links for Home, News, Publications and Reports, Projects, Research themes, TESSA share, Forums, and Useful links. Below this, the page is titled 'TESSA > Zambia' and 'Zambia'. A welcome message and a list of partner organizations (University of Zambia) are displayed. The 'Primary Education Resources' section features five buttons for Life Skills, Literacy, Numeracy, Science, and Social Studies / Arts. A 'Downloads' section contains a link to download all materials, which is circled in purple and pointed to by a purple arrow from the text above. Below this are 'Other resources' including Key Resources, Audio Resources, Teacher Educator Guidance, and Curriculum Overview. On the right side, there are sections for 'TESSA materials' with a globe and a country selector, and 'TESSA News' with a map of Africa and a news item titled 'Nouveau bulletin d'information'. At the bottom, there is a Creative Commons license logo and the text: 'This work is licenced under a Creative Commons Licence unless otherwise indicated.'
